

FRANKLIN CENTRAL HIGH SCHOOL BAND

COMMITMENT AGREEMENT

I UNDERSTAND THAT THE COMMITMENT INVOLVED WITH THE FRANKLIN CENTRAL HIGH SCHOOL BAND IS BOTH A
TIME COMMITMENT (SEE ATTACHED MARCHING BAND SCHEDULE)
AND A
FINANCIAL COMMITMENT (SEE ATTACHED BAND FEE INFORMATION SHEET).

I understand that individual fundraising is available to me to help with the cost of the band fee of:

- \$350.00 (to be paid in four installments)
- \$50.00 Transportation Fee

Plus the cost of the following individual item if needed:

- \$40.00 (estimate) Shoes for new members and color guard (to be paid at time of order)

I understand that if individual fundraising is not utilized, that I will pay this cost myself (please make checks out to FC Band Boosters). As a parent, I am responsible for my child's account if they are unable to raise the fees through fundraising. In the event that a member's participation in band is ended, all monies collected or fundraised will remain with the Franklin Central Band Boosters. I understand that all fees will be paid "up-front" as per attached band fee information sheet.

This upcoming school year, the Franklin Central High School Band will host at least three contests. These contests include a fall marching band contest (9/10/11) plus a winter color guard (date T.B.A.) and a WGI Regional (date T.B.A.). We will be hosting the contests in order to stabilize the band fees and keep the Franklin Central High School Band financially solid. We require that all students provide two adults to work these contest.

**Commitment Agreement is due June 10th, 2011 with first payment of \$150.00.
If a student fails to bring in the agreement and payment at this time,
they will be given an understudy spot in the marching band program.**
