It's about a Community that takes the initiative to give to our youth -- together we are making a difference

The **Franklin Central Band Boosters** is preparing for another incredible year of musical education for our students. Sponsorship of the Franklin Central Band Boosters provides name recognition and the opportunity to promote your services and products to the community.

The Franklin Central Band Program strives to provide curricular and extra-curricular experiences which guide students to become knowledgeable, skilled, responsible, compassionate, self-directed citizens in a global community.

The partnership of staff, parents and students enable our students to develop the work ethic to meet academic milestones. When the vision of the Franklin Central High School Band Program is implemented, students are engaged, experiencing real-world, research-based activities that enable them to meet or exceed the curricular standards which prepare them for life after high school.

We are the Franklin Central Band Boosters supporting our Franklin Central Marching Flashes!
